BEST VITRIN MANKEN

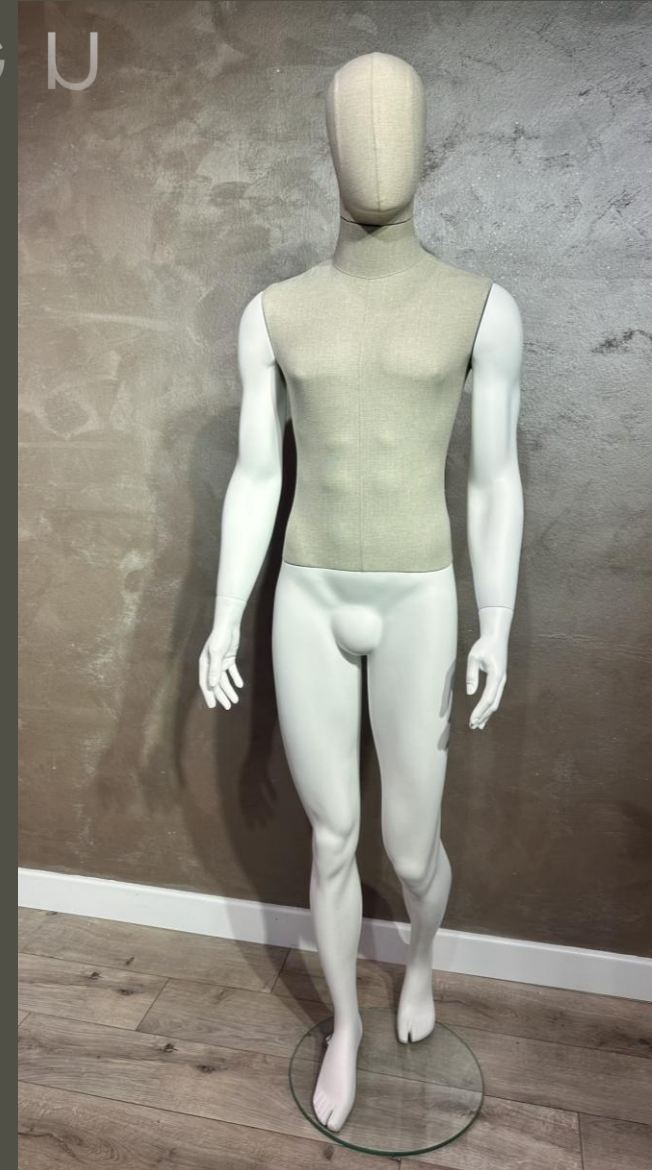

A photograph of a window display featuring two mannequins. The mannequin on the left is partially visible, showing its right arm and torso. The mannequin on the right is shown from the back, displaying its head, neck, and torso. Both mannequins are wearing light-colored, sleeveless, form-fitting garments. Behind them is a large, circular, textured backdrop in a dark, mottled brown color. The background wall is a dark, textured grey. The lighting is soft, highlighting the contours of the mannequins and the texture of the backdrop.
